SculptureTour Salina announces 24 original works of art that will comprise our 2012 exhibition in Salina's historic downtown Lee District! These sculptures are on loan from the artists, who hail from across the United States. Join us Saturday, May 19 and celebrate the official unveiling of SculptureTour Salina 2012!

Our phenomenal volunteer crews will place the sculptures throughout the day, leading up to the grand Block Party from 3-6 pm. We will be fortunate to have several of the artists with us that day, and our jury will be selecting several awards as well. YOU can be part of our People's Choice Award by picking up a ballot and selecting YOUR favorite sculpture.
