in Salina's downtown
Lee District

About The Symposium Director

Born and raised in northwest Kansas, Glenn Zwegardt has been an active sculptor and educator for over 40 years. He received his BFA from Wichita State University and MFA from Maryland Institute College of Art, Baltimore, MD. Glenn was the chair of the Sculpture Department and now serves as emeritus Professor of Sculpture at New York State College of Ceramics, Alfred Station, NY.

The first annual SculptureTour Salina Symposium is made possible in part by generous donations from US Stone Industries, LLC, Saint Marys, KS, Capitol Federal Foundation and the Friends of Sculpture Tour Salina.

Symposium Artists

Glenn Zwegardt, Symposium Director,
Alfred Station, NY

Christine Ehmann, *Alfred Station, NY*

Rich Bergen, *Salina, KS*

Dee Warren, *Salina, KS*

Artists will each be creating a large, outdoor scale, mixed media sculpture that will include native Kansas limestone.

SculptureTour Salina is an exciting exhibit of outdoor sculptures displayed in downtown Salina, Kansas. Artists place their sculptures in the program for one year, May through April. All sculptures are promoted for sale to the public. Artists are eligible to win awards for Best of Show and People's Choice Purchase Award. SculptureTour Salina 2012 will feature 24 works of art, and will be unveiled during a public Block Party on Saturday, May 19, 3-6pm.
